**PETITION TO CORRECT PATENT TERM ADJUSTMENT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

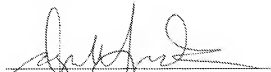

Applicants request that the Patent Office revise the Patent Term Adjustment (PTA) calculated in connection with the above-identified U.S. Patent Application. The number of days calculated by the Office was 500. However, the Patent Office did not adjust the Patent Term for the delay from the favorable Board of Patent Appeals and Interferences decision dated June 28, 2005 to the Notice of Allowance on January 21, 2009. The additional Patent Office delay is 1,181 days. The total patent term adjustment therefore should be 1,681 days.

Applicants, therefore, request appropriate correction of the PTA. Authorization is hereby given to charge the \$200 fee in connection with the filing of this paper, or credit any overpayment, to Deposit Account No. 02-2135.

Respectfully submitted,

Date: April 20, 2009
